24 MAY 1979

MEMORANDUM FOR: Deputy Director for Administration

25X1A FROM:

[REDACTED]  
Acting Director of SecuritySUBJECT: Office of Security Significant Activities  
Week of 17 May 1979 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)
2. The activities of the Office of Security during the week of 17 - 23 May 1979 were highlighted by the following items:

a. On 18 May, representatives of this Office provided an in-depth briefing to two staff members of the Senate Select Committee on Intelligence (SSCI) regarding the William Kampiles case. This case, as well as the Boyce/Lee case, is again of Congressional interest because of questions of compromise of U.S. verification systems relative to SALT matters. (C)

b. A representative of this Office will participate in an interagency task force to develop a national research plan on the biological effects of nonionizing radiation (e.g., radio waves, microwaves). An Industrial Hygienist, she will serve on a subcommittee concerned with dosimetry and monitoring requirements. (U)

c. On 22 May, a Field Office representative arranged for and personally monitored the special processing by a [REDACTED] firm of 16 rolls of unique movie film. East Asia [REDACTED] had requested assistance in developing this film which had been obtained from a group of [REDACTED] (C)

MEMORANDUM FOR: Deputy Director of Security (P&M)

25X1A FROM: [REDACTED]  
Deputy Director of Security (PTOS)

SUBJECT: Entries for the DDA Log  
17 - 23 May 1979 (U)

1. This Agency has been invited to participate in the Interagency Task Force to Develop a National Research Plan on the Biological Effects of Nonionizing Radiation. This Task Force is to develop the plan for submission to the Office of Management and Budget by 15 September. The Task Force is chaired by Dr. Howard Clark of the National Bureau of Standards, and three subcommittees have been established. [REDACTED] of the Life Sciences Division, Office of Scientific Intelligence, will participate in the Research subcommittee. A representative of this Office, [REDACTED] Industrial Hygienist, will be the Agency representative on the User subcommittee which will be concerned with dosimetry and monitoring requirements. (U)

2. Comprehensive security and personnel protection surveys were conducted [REDACTED]  
Additional surveys were initiated [REDACTED] (S)

3. On 18 May, two representatives of the Office traveled to Friendship Annex, Baltimore, Maryland, for a three-hour presentation on audio countermeasures to NSA's Senior Cryptological Group CY 300. (C)

Items for Weekly - 23 May 1979

①

*On 18 May, representatives of this office provided*

*Keep* Through arrangements made by the Office of Legislative Counsel, an indepth briefing was provided to two staff members of the Senate Select Committee on Intelligence (SSCI) regarding the William Kampiles case. This case, as well as the Boyce/Lee case, is ~~in the forefront~~ <sup>again</sup> of Congressional interest ~~at the present time~~ because of the questions of compromise of U.S. verification systems relative to SALT matters. ~~(C) The SSCI staff is also talking to representatives of the Federal Bureau of Investigation as well as other components of the Agency to include the DD/S&T and the DDO. (S)~~

During the week, the Agency received initial notification for potential response to requirements generated by a newly formed Congressional Committee in the House of Representatives, the Bennett-Spence House Committee on Standards of Official Conduct Subcommittee, looking into possible influence peddling on the parts of Iran and South Africa. Presently the Office of Security is concentrating with the Office of Legislative Counsel on obtaining clearances for personnel of the staff, security agreements and written Memoranda of Understanding of the handling of classified information.
